

This is the Urbandale Library.

The library is a place to look at books, explore, play,  
and learn new things.

This is the entrance to the library.

When I come in the library, I can return the books and other things I borrowed to the drop box.

If I am thirsty, or if I need to fill up my water bottle, I can use the drinking fountain.

If I need to use the bathroom, I can go to the bathroom in the front lobby or the children's area.

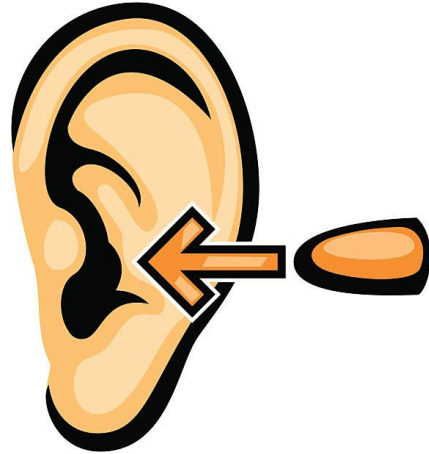

The bathroom in the front lobby has noisy hand dryers. The bathroom in the children's area is quiet.

It's okay to wear sunglasses if the lights are too bright.

I can ask for earplugs from one of the librarians if the library is too noisy for me.

If I need quiet time, I can go to the Periodicals area.

If I need a space where I can be a little louder, I can ask a librarian if I can use the Story Room.

This is the front desk. I can ask a librarian for help if I need it.

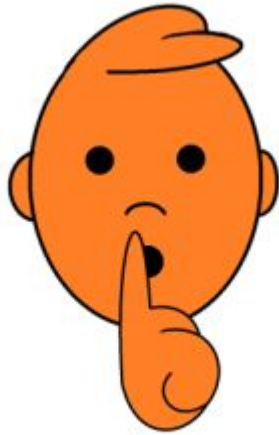

This is the children's section.

The children's section has many toys I can play with.

It's important to share, take turns, and use a quiet voice when I am in the library.

**QUIET VOICE**

**NICE HANDS**

There are computers and tablets in the children's area with stories and games on them.

I can pick out books and take them home with me.

Magazines

Puppets

And even Adventure Backpacks!

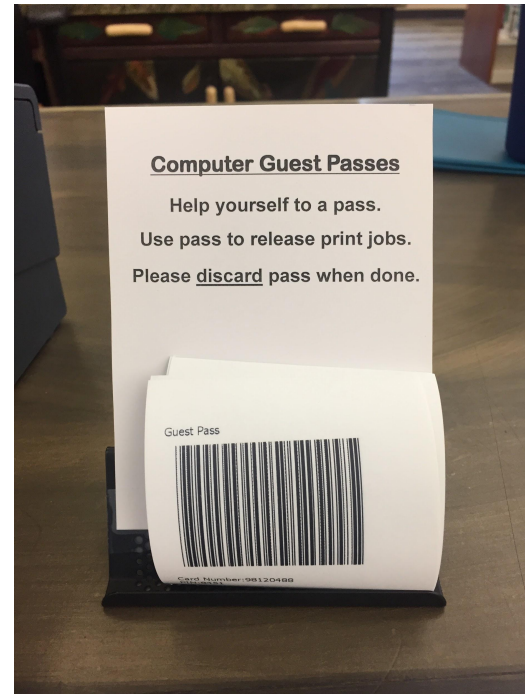

I can use a catalog computer to find things in the library that I would like to borrow.

I can also ask a librarian to help me find what I need.

I can use other computers to go online. I need a library card or a guest pass to use the computer.

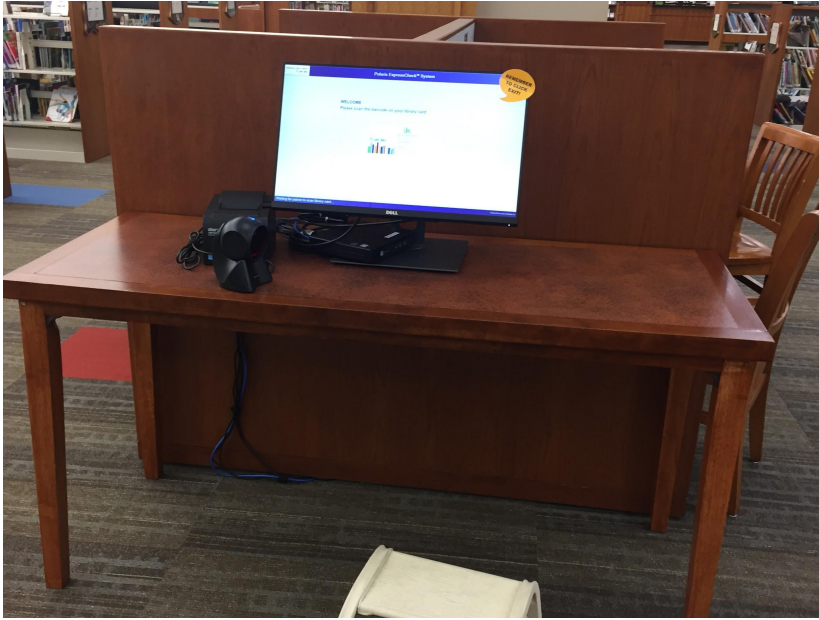

I need a library card to borrow books and take them home with me. I can ask a librarian to help me get a library card.

I can check out my books at any of the library staff desks.

At these stations, I can check things out by myself.
