# All Ages Summer Reading Challenge

## June 1 – August 1, 2021

**Make reading a daily habit this summer by recording the days you read during our challenge. Record 30 days of reading from June 1 – August 1 to complete the challenge and to earn prizes and be entered into the drawing for our grand prizes!**

This year's theme, "Reading Colors Your World," focuses on colors and the many ways that reading can expand your world through kindness, growth, and community. Throughout the challenge, we encourage you to get creative, try new things, explore art, and find beauty in diversity – and reading is a great place to start!

### HOW TO PARTICIPATE:

Track every day you read!

1. Read whatever you like (audiobooks, e-books, magazines, newspapers, and comic books all count!)
2. How long you read each day is up to you. Set your own goal.
3. Did you like a book? Consider submitting a review through Beanstack.

### CLAIM PRIZES:

1. You'll earn a prize when you've tracked 15 days of reading, and another at 30 days! (First day prizes will be available for pick up is June 15.)
2. As you read, you'll earn entries for our grand prize drawings. The more you read, the more chances you'll have to win! (You must track using Beanstack to earn additional grand prize entries.)
3. Make sure you enter an email or phone number so we can let you know if you win!
4. You must **track** your reading by August 1, 2021 to earn prizes! (The final day to **claim** prizes at the Library is August 15.)

### ONLINE TRACKING WITH BEANSTACK:
