

Photography and Videography

Photography and videography are permitted on Urbandale Public Library property. These activities must not disrupt the operation or use of the Library.

Guidelines

- Photography or videography by Library customers or staff is permitted.
- The Library requests advance authorization for photography or videography for commercial purposes.
- The Library is not liable for any photography or videography on Library property.

Failure to comply may result in the suspension of Library privileges, which includes exclusion from Library property. A multi-step disciplinary process outlined in the Library's Suspension of Privileges policy is followed. The Library reserves the right to advance the process if behavior warrants.
